lished in the Southern Patriot. Washington, April 9 .- Mr. Dickerson has declined the Collectorship of New York. Green S. Brunson was nominated and confirmed for same office. Solon Kernard nominated and confirmed Governor of New Mexico, Hon, P. Soule was waited upon at his lodgings last night by a number of his personal and political friends, including several Senators, who congratulated him upon his appointment as Minister to Spain, some pithy speeches were made on the occasion. It is rumored this evening, that Gov. Marcy must leave the cabinet, no reliable authority given for it; for some reason the Senate has not fixed upon any time for adjournment. It is not believed that minor appointments only keep the members here.

BALTIMORE, April 9, P. M .- The Union this morning, announces that Mr. Slidell has resigned the mission to Central America, and will be proposed by his friends for the Senatorial vacancy occasioned by Soule's appointment to Spain, private and personal reasons assigned as the cause of his declination. New York, April 11.—The steamer "Illinois" arrived at the dock a little after 7 o'clock. She left Navy Bay on the evening of the 1st. She brings the California mails, \$2,095,404 in gold dust and 375 passengers. The steamship "Union" left Aspinwall for New York via Jamaica on the 31st.— By the steamer "Santiago" at Havana we have Valparaiso dates to the 28th February, and Callao dates to the 12th March; at the former place, business had somewhat improved. The stock of flour very small, firmly held at 81a9. Political news unimportant, Congress having adjourned and the President being still on his southern tour. Gen. Blanco goes to France as Minister. The revenue from customs at Valparaiso \$1,000,000 excess over 1851. Australian dates to 11th Jan. had reached Valparaiso, they are anticipated by way of England. Business pretty brisk in shipping at Callao. The yellow fever was declining. The dispute between New Grenada and Ecuador seems settled in an admirable manner. The harvests in the South more abundant than ever known. The mining districts continued to yield abundantly. The U.S. sloopof-war "Portsmouth" to San Juan del Sur instead of Callao. The Chilian authorities had released an American who had been so long confined, without

Serious disturbances had taken place, owing to some political appointments at Tobugo, it was put down without loss of life; some insults were offered to foreigners, and the Portsmouth was detained there a day in consequence.

CHARLESTON, April 11.—The steamer Isabella arrived from Havana with dates to the 8th. The lives of the political prisoners are spared; they having been pardoned at the scatfold.
